

Approved Program Confirmation for Emergency Permit

A *first-time* Emergency Permit applicant must complete this form and have it signed by a Licensing Advisor at a college/university that offers and approved program in the content area and school setting listed on the Emergency Permit. If the applicant is requesting a Praxis II Emergency Permit, he/she must still have the signature of the Licensing Advisor to verify that all other programmatic requirements have been met. **This form does not need to be submitted with an application for renewal of an Emergency Permit.** For renewals, the Licensing Advisor should sign Section E of the Emergency Permit application.
